

ATX Robotics Inc/ Austin STEM Center

Media Release

The Austin STEM Center, as part of ATX Robotics, uses photographs and videos of our participants for a variety of projects and media. These images may be used in educational and documentary materials such as Public Service Announcements, Grant Applications, Video Documentaries and both printed and online newsletters. This includes use on social media networks such as Facebook, Twitter, Instagram and YouTube.

I hereby grant permission to ATX Robotics, its agents, and its employees to:

- Photograph, video, and/or make audio recordings of me;
- Use my image, likeness, and voice for all program promotion, materials, and any other purposes in connection with ATX Robotics activities;
- Reproduce and/or publish any photographs, video, and/or audio recordings of me for any purpose in connection with ATX Robotics activities;

Further, I hereby grant ATX Robotics, its agents, and its employees a perpetual, non-exclusive, royalty-free right and license to use or publish such photographs, video, and/or audio recordings of me for any purpose in connection with ATX Robotics activities.

And I agree to release and forever discharge ATX Robotics, its agents, and its employees from any and all claims in law or equity that I, my heirs, or personal representatives have or shall have arising out of such photographs, video, and/or audio recordings of me.

I acknowledge that by signing this form I waive any right to royalties or other compensation arising from the use of my photograph or video, and if signing on behalf of a minor, I waive all such rights of the minor.
